## COLLEGE OF SCOUTS BSA

COURSE #	COURSE NAME	DESCRIPTION	ROOM #	PER
SB100	Using Campouts for Skill Building and Rank Advancement Success	Discussion camping in the great outdoors as a venue to organize and execute an Advancement Campout to help a troop meet their First Class-First Year goal. We will discuss how to encourage and enable your older scouts to gain proficiency by teaching Scout Skills to newer Scouts. The new scout rank, Tenderfoot, Second Class, and First Class will learn to use the Patrol Method. The younger scouts will learn various skills like planning their meals, duty rosters, and demonstrate each skill individually. For adult and youth leaders.	201	5
SB101	Patrol Method	New and experienced (and even future) Scouts BSA leaders alike are all welcome at this presentation and roundtable about what Baden-Powell called "the ONLY way" for a troop to run itself. Come for inspiration; come for practical advice; come to hone your skills as a Servant Leader of Scouting, democracy, and adventure. For adult and youth leaders.	201	2
SB102	Advancement Program	The Scouts BSA advancement program places a series of challenges in front of a Scout in a manner that is fun and educational. As a Scout meets these challenges, he/she achieves the three aims of Scouting: citizenship, growth in moral strength and character, and mental and physical development. As a Scout advances, he/she is measured and grows in confidence and self-reliance. This course covers the need for encouraging the timely rank advancement of Scouts to help them succeed and stay active in the troop. For All Scouts BSA Leaders.	201	3
SB103	Effective Troop Boards of Review	The Purpose of a Board of Review is to make sure the Scout has completed the requirements for the rank, to see how good an experience the Scout is having in the unit and to encourage the Scout to progress further. Discussion on the Troop's Advancement Committee responsibility in conducting quality advancement Boards of Review for all ranks, including the Eagle rank. Examples of kinds of questions that might be asked will be included. For All Troop Advancement Committee.	201	6
SB104	The Scoutmaster Conference	This course reviews the requirements and purpose of Scoutmaster's conferences and explores ways to make the conferences valuable to both the Scout and the Scoutmaster. Ideas for and approaches to Scoutmaster's conferences for Scouts all the way through Eagle will be presented. For All Scoutmasters and Asst Scoutmasters.	204	2
SB105	Life To Eagle - Eagle Project Workbook/ Process	There are 12 Steps from Life to Eagle rank to ensure a smooth process and mentorship for the Scout. Eagle Scout is not just another rank in the Boy Scout advancement program, it is awarded to recognize mastery of Scouting which is itself a demonstration of character, fitness and citizenship. This course will examine the Life Scout to Eagle Transition with discussion and illustrations of advancement to the Eagle rank. For Scoutmasters, Committee and Scouts	204	3

SB106	Scoutmaster Minutes-Leave an Impression	What if you had just one minute each week to talk to your youth? One minute to guide them on their path; one minute to share your convictions; one minute to shape lives; one minute each week to inspire, challenge, instruct, maybe leave a lasting memory and alter a life...or a hundred. Learn how to plant a thought in the minds of your Scouts (and adults!) that will stick with them over their lifetimes. For Scoutmasters and Asst. SM's.	204	4
SB107 SN101	Introduction to Abilities Awareness for Youth Leaders *NEW*	*NEW* An introduction for youth leaders on how to recognize Scouts with physical, cognitive and/or emotional differences, and learn practical skills and activities that will help ensure that all scouts, regardless of challenges, have an enriching scouting experience. It is designed to teach Scout leaders how to promote an atmosphere of inclusion and practice effective leadership when managing a patrol of individuals with varying abilities. For youth leaders.	106	6
SB108 VN200	NYLT and Your Troop or Crew	National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to provide youth members with leadership skills and experience they can use in their Troops and in other situations demanding leadership of self and others. NYLT course centers on what a leader must BE, what he/she must KNOW, and what he/she must DO. This session will present the strengths of modern leadership theory along with the value to the Troop and to your Scouts. For Adult and youth leaders.	205	5
SB109	Successful Patrol Leader Councils	The Patrol Leaders' Council (PLC) selects, plans, and leads Troop activities, and is the key to having a scout-led Troop. This session will present practical guidance from veteran Scoutmasters on PLC's success, measured at the youth leader level and at the Troop level. The PLC enables scouts to become leaders by example and work as a team to engage the rest of the troop.	204	5
SB110	Merit Badge Process for Your Troop	The 10 point merit badge process includes- Who gives out merit badge cards? How are councilors trained? Who can run merit badge courses and how do you do them? Any and all questions regarding the merit badge process. For adult leaders.	204	6
SB200 VN202	Lighten Up! Lightweight Backpacking Techniques and Gear	*DOUBLE SESSION* How to hike and camp with everything to be safe, comfortable and well fed while carrying a lighter load. We will examine the most useful equipment and techniques hikers can use to carry the lowest possible pack weight consistent with comfort and safety. Includes Gear Show and Tell by experts! For all adult and youth troop leaders.	109	4-5
SB201	Service Projects	Service to others and project suggestions! Rank advancement and helping other Scouts, parents, unit, sponsor and the community. Discussion includes Eagle Rank service project requirements; also shows how helping others improves self-esteem and results in respect of others. For all adult and youth leaders.	205	2
SB202	Wet Wood / No Matches = No Problem	Course content includes how to make homemade fire starters. How to make charred cloth and demonstration of its use. Demonstrate the quantity of wood that should be collected to build a proper fire. For all adult and scout leaders.	Out door	3

SB203 VN204	Places to Go	This Session will offer a number of places to take your Scouts BSA Troop for both high adventure and for that first-time scoutmaster or SPL who would like to take simple local trips. A group discussion will be offered on where some troops go local for activities and overnight camping trips. At the end of this session you will have enough places to go with your troop for a whole year! For all adult and youth leaders.	206	2
SB204 VN208	Winter Survival	Get a fun troop/patrol/den educational activity to do with your scouts. In addition, we'll talk about positives and negatives of winter camping, First Aide, cold weather clothing and gear. For all Scout leaders, parents, and interested scouts.	212	4
SB205 VN201	Shooting Sports	BSA offers three shooting sports merit badges that are at the top of the list in popularity among scouts attending summer camp: rifle shooting, shotgun shooting, and archery. We will cover the role of RSOs, what is required to oversee BSA shooting events (e.g., NRA certified instructor, RSO, BSA shooting sports camp school, etc.) and how those are achieved. We will provide a view of the resources that scouts and leaders can use to find out more about ranges, shooting sports, instruction, and becoming a certified coach, instructor or RSO. This session is for adult and youth leaders.	206	3
SB206 VN203	High Adventure Will Lift Your Troop	High Adventure; from the first small steps to execution. This session will cover Ideas for the Who, the Where, the Why and the How; Physical & Mental fitness training and team building; equipment acquisition, shake down and transportation etc. For all adult and youth leaders.	206	4
SB207	Plant and Animal Identification	Learn how to identify plants and animals which you will likely encounter on your outings or from traces or tracks. We have a wealth of flora and fauna in our area which can be daunting to identify. Whether you are an older scout trying to teach new scouts, new leader or an experienced leader who wants to brush up, this session is for you. For adult and youth leaders.	206	5
SB208	Back-Country Hiking, Backpacking and Advancement Opportunities In The Hudson Valley	The Hudson Valley has unlimited trails and back country camping opportunities that can enhance a unit's outdoor program. It's the ideal place for scouts to hone their skills, learn about nature and develop leadership. We will explore popular trails and back country campsites to invigorate your unit's outdoor program. We will discuss how a strong outdoor program provides many advancement opportunities. For all adult and youth leaders.	108	4
SB209	Outdoor Ethics Guide Position Training *NEW*	*Triple Period* The outdoor ethics guide helps the troop plan and conduct an outdoor program that emphasizes effectively practicing the principles of outdoor ethics. The guide works to help Scouts improve their outdoor ethics decision-making skills to minimize impacts as they participate in outdoor activities. This course will fully train scouts for their position.	110	1-3
SB210	Intro to Backpacking	Benefits and "How-to guide" for transitioning your unit from car/trailer camping to backpacking, while still eating well and being comfortable.	108	2

SB211	Citizen Disaster Preparedness-Active Shooter *NEW*	*New* In the spirit of being prepared, we will spend some time going through the best practices which are being shared nationwide with security and public professionals. Although the likelihood of a situation is remote in a scouting setting, scouts are in schools, concerts and shopping areas which have become easy targets in recent years. We will discuss the basics of the appropriate responses being advocated nationally by security professionals. For adult leaders.	207	2
SB300 OE103 VN206	Implementing Outdoor Ethics in Troops & Crews	This course will cover outdoor ethics for Scouts centered on the Outdoor Code, and their relationship to Scouting's goals. Backcountry guidelines will be detailed, including conservation expectations, outdoor manners, and minimizing campsite waste and trash. Tread Lightly! will be introduced and practical examples of how to incorporate it into your troop program will be presented. BSA's outdoor ethics awards for Scouts BSA will also be discussed.	110	6
SB302	Intro to Leadership Skills for Troops and Crews	The purpose of the Introduction to Leadership Skills course is to teach Scouts with leadership positions about their new roles. This training is an opportunity for adult leaders to set expectations, but...it is best for youth to teach other youth how to run their unit. This hands-on course will show scouts how to plan, prepare and deliver training that will strengthen their scout-led unit. Adults will learn how to support their senior leaders. Especially designed for units that are planning their first training. For youth and adult leaders.	213	4-5
SB400	District/Council Eagle BOR Training	The purpose of this training is to make Eagle boards of review consistent among our districts and compliant with national standards as stated in the latest revision of the Advancement Committee Guide Policies and Procedures. An Eagle Scout candidate should be able to receive a review of the same quality standards in any one of our districts throughout our council. For District or Council Advancement Committee Members	207	3
SB401	Merit Badge Counselor Training	Merit Badge Counselor training will provide both registered and potential merit badge counselors with an understanding of the methods of counseling, and the counselor's role in the BSA advancement program. We will explore the merit badge process, a merit badge counselor's duties and responsibilities, group instruction and counseling techniques. For Merit Badge Counselors	207	5
SB402	Intro to Project Management	What is Project Management? More specifically, what is a project? Almost everything we do in Scouting can be seen as, and managed as a project-from rank advancement, a trip, a campfire, or an Eagle Scout Service Project. In this course, you will see how the project management process is broken out into distinct groups. Also, you'll see how a project is a collection of tasks that need to be managed. For adult and youth leaders.	207	4

CU100	Cooking for Cubs – Instilling Basic Cooking Skills in Younger Scouts	Explore opportunities to incorporate cooking into your Cub program. This is an introductory outdoor cooking course with ideas and techniques that make cooking fun! As scout leaders, our boys will benefit if we teach them to cook. You'll learn some age-appropriate methods that will give your Cubs an opportunity to succeed in all their cooking adventures! For All Cub Scout Leaders and Den Chiefs. <i>Note-this is an introductory course only.</i>	111	6
CU101	Cooking-It's Largely about HEAT	When we think of cooking we usually think about Ingredients (what we cook), Vessels (what holds what we cook), and Heat (or the application of heat to the ingredients). After this class you'll learn the different ways to apply heat that will make the best out of your ingredients!	210	4
CU200	The Grubmaster-Keeping It Cool	In this class we'll review the role of the Grubmaster and explore ways to help him plan a menu, how to properly shop for ingredients, and how to plan to store food. One of the most important elements of food storage is maintaining the appropriate storage temperature. Keeping food cool without electricity involves ICE. We'll explore ways to sneak that ice into your food storage system, how to store your cool food, and what ICE options you have at your disposal.	210	6
CU201	What is the Kitchen Patrol?	What exactly is the Kitchen Patrol and how best to clean up after the meal is done. For youth and adult Grubmasters	210	5
CU202	Easy One Pot Meals	Looking for warm and filling camping meals that don't mean hours of KP? We have lots of ideas and recipes for one-pot camping meals for breakfast, lunch, dinner and dessert that can be cooked on a campstove or in a Dutch oven. It's time to think outside the pasta box! Suitable for all Cub and Scouts BSA Leaders, Cub and Scout Parents, Webelos and Scouts	210	3
CU300	Backpacking Food Plan Ahead & Prepare	Make your own backpacking meals from foods at the supermarket that are much more nutritious and cheaper! No need to buy those salt-laden MRE's! The first class will be describing the philosophy, ingredients, and recipes. The second class we will actually be making the food so come hungry! For all scout leaders and scouts.	111	3-4
CU301	Dehydrate Your Own Food for Trail and Home	All about dehydrating your own food for backpacking, everyday snacks, saving garden herbs in the fall, and for the survivalist mentality. If the grid goes down and you had a stash you'd be OK for a while at least! The instructor prepped all her food for her thru-hikes of the AT and Pacific Crest Trail (PCT).	111	5
CU302	Dutch Oven-What is this Wizardry?	Short of making Ice Cream, if you can dream it you can prepare it in a Dutch Oven. This Swiss army knife of cooking vessels will meet many of your needs. We'll explore not only ways to use the Dutch Oven but also how to care for it.	210	2
CU303	Sous Vide Cooking, Kinda...	*Double Period-Let's get this out of the way: Cooking sous vide (say "soo-veed") is not about cooking with plastic. Cooking sous vide is about heating food just enough to make it taste great. It's about predictable results, and it's about achieving success after success, easily and cleanly, with little fuss. Sous vide is about eating well, and eating well is about living well. Therefore, without getting too grandiose about it, we believe that sous vide makes your life better.	Chem Lab	4-5

VN205	Intro to Leadership Skills for Troops and Crews	<b>*DOUBLE PERIOD*</b> The purpose of the Introduction to Leadership Skills course is to teach Scouts with leadership positions about their new roles. This training is an opportunity for adult leaders to set expectations, but...it is best for youth to teach other youth how to run their unit. This hands-on course will show scouts how to plan, prepare and deliver training that will strengthen their scout-led unit. Adults will learn how to support their senior leaders. Especially designed for units that are planning their first training. For youth and adult leaders.	213	4-5
VN206	Implementing Outdoor Ethics in Troops & Crews	From the very beginning, the Boy Scouts of America has pledged conservation and respect for the environment as an essential component of good citizenship. Today, as more and more people enjoy the benefits of our nation's natural resources, additional pressure and urgency is brought to bear on outdoor ethics, to ensure our beautiful natural spaces remain unspoiled not just for the current generation, but also future generations to enjoy. This course will cover outdoor ethics for Scouts centered on the Outdoor Code, and their relationship to Scouting's goals. Backcountry guidelines will be detailed, including conservation expectations, outdoor manners, and minimizing campsite waste and trash. Tread Lightly! will be introduced and practical examples of how to incorporate it into your troop program will be presented. Outdoor Ethics Awards will also be discussed.	110	6
VN207	Outdoor Ethics Guide Position Training <b>*NEW*</b>	<b>*NEW*</b> <b>*Triple Period*</b> The outdoor ethics guide helps the troop plan and conduct an outdoor program that emphasizes effectively practicing the principles of outdoor ethics. The guide works to help Scouts improve their outdoor ethics decision-making skills to minimize impacts as they participate in outdoor activities. This course will fully train scouts for their position.	110	1-3
