CUB RESIDENT

CAMP

PARENT'S GUIDE

Cub Scout adventure is around every turn in the trail. Swimming, fishing, boating, archery, bb guns, hiking, campfires and much more await every Cub or Webelos in Camp Waubeeka at the Read Scout Reservation.

Cubs will take part in all those activities and more as they also complete a variety of advancement activities related to the level of the Cub or Webelos program in which they are involved.

During their stay they will live in two person canvas wall tents set on platforms with cots and mattresses. Each Scout will be assigned to a Den, just like he is at home. Each Den will have an adult Leader. Several dens will make up the Camp Waubeeka Pack, with an experienced Cubmaster. Meals will be prepared by our staff of quality chefs and served to them in the McIntyre Pavilion.

CUB RESIDENT CAMP ACTIVITIES

Every day, your camper will have new and different activities ! We'll be doing some advancement, especially those that are outdoors, but our focus will be on fun! Our activities will focus around our theme, Adirondack Adventures. Your camper can expect a whole range of personalities to join us from Mountain Man Lore-resplendent in costume and in character for the week. Read below for some of our special theme-related activities and how your camper can participate.

Probie and Costume Theme

Probie is the Camp Waubeeka Mascot-he is on our patch, hats, tee shirts-even on our waterfront tower! Our Waubeeka staff LOVES Probie! We LOVE costumes too! Our theme this year is Olympics and we'll be in costume all week and YOU are welcome to bring yours too. We may even have a contest!

Advancement

Advancement for Wolf, Bear, Webelos and Arrow of Light dens is important but not the only thing we do at camp. We are excited to have the new Cub Scout Advancement being done at camp, with emphasis on outdoor requirements. Each scout will receive an advancement sheet for everything done at camp to take back to his pack. Each den works on the appropriate requirements for their rank.

Aquatics

Campers will work on aquatic requirements for their rank and will also have opportunities for instructional swim and open swim during the week. Each camper will be assessed upon arrival. We'll have Polar Bear swim on Tuesday and Thursday morning for those willing to brave the cold! Campers will also have time for boating. We'll wrap up the week with a water carnival on Friday!

Citizenship

Citizenship is ingrained in the Scouting program. Each day, there will be an opening and closing flag ceremony with opportunities for Scouts to learn proper flag protocols. Scouts should have their Scout uniform for these special occasions and for dinner attire.

Climbing

Read Scout Reservation has the premier climbing facility in the Adirondacks. Cub Scouts and Webelos will climb our new tower at Summit Base-up to approved heights for their age.

Fishing

Scouts can fish beautiful Lake Waubeeka during den time or free time. Some fishing poles are available but scouts can bring their own for best results.

Handicraft

Campers will learn leatherworking, woodworking, lanyards and paracord crafts! All our camp favorites!

CUB SCOUT ACTIVITIES

Hiking and Nature

The best part of being at Camp Waubeeka is being surrounded by nature! We take advantage of the hiking trails, streams, trees, lake and all the critters that live with us. Campers will learn AND have fun while working on outdoor advancement. There is an observation pit in camp with reptiles and amphibians that campers will study (and then release). Principles of Leave No Trace will be taught in order that we can all be a friend to Nature!

Horseback Riding

Camp Waubeeka is one of the few Scout Camps that offers Horseback riding as an activity. Scouts will learn about horse care and ride in the corral.

Scout Skills

Scout Skills are now more prominent in Cub Scout Advancement, especially in the Webelos program. Campers will have demonstrations and hands-on activities, like campfire cooking to look forward to. And of course, there will be plenty of other skills, like knots, firebuilding and knife safety.

Service

Cub Scouts and Webelos will have an opportunity during the week to do a small service project for our camp, much the same way our Boy Scout Troops do each week. It will be scaled to their abilities such as cleaning a trail or program area. Also, Scouts will have a turn during the week to assist our service staff with setting up for lunch and dinner and bussing the tables at the end of the meals. Scouts have an opportunity to learn responsibility and what it means to "Help Other People".

Shooting Sports

Campers will have an opportunity to learn to shoot Archery and BB guns. At this time, there no longer are belt loops for those activities, but scouts consider them one of their favorite things to do at camp! All shooting sports occur under proper supervision by certified instructors. Please do not bring any type of firearm to camp.

Special Events

In addition to our costumes, we'll have other fun events for all! There will be a pajama-game night, and water carnival. The camp will be taking a field trip on Thursday to one of the terrific area educational or historic facilities. Please see the permission form at the bottom of this document.

Down Time

Fun and excitement ALL the time can be exhausting! Each day, scouts are given siesta from 1-2 p.m. after lunch to recharge and den time to work on skits for campfire or play board games. Lights out is 9:30 p.m.

Food Service

Meals are provided by our dining hall and brought to McIntyre Pavilion. The menu is full of kid-friendly and nutritious choices. Cub Resident Camp MUST be a NUT-FREE environment-we have campers who are highly allergic.

Please DO NOT pack ANY snacks and please have your child refrain from eating nuts before he comes to camp. Thank you!

BUG NET SET UP

In order for your scout to have a comfortable week at camp, it is essential to have a bug net. Also, bringing a tarp to put on the tent floor will help keep bugs from coming in!

Needed-4 X 36" wood dowels or PVC pipe 1" thick, 4 tennis balls, zip ties (no duct tape!!!)

Poles can be 1" dowels or white PVC pipe you can purchase from Home Depot and should be 36" long.

In order to fit in the sloped tent, the set of poles closest to the walls should be 6" shorter than the inside poles.

We do NOT use duct tape as shown-please bring large ZIP-TIES to fasten the poles to the bed frame.

So the net does not tear, you can use old tennis balls with a slit to cover the top of the poles.

Poles are to be fastened by Zipties only!

GETTING YOUR GEAR TO CAMP!

Having your scout be organized and his belongings stay dry makes his stay at camp much more pleasant! There are a variety of options you can choose and here are some helpful tips on packing his gear:

1. Be sure to have your scout pack his gear WITH you so he knows where his stuff is located!
2. Pack each day's clothes together in a large zipbag marked with the day of the week.
3. Pack bathing suits in a separate zipbag.
4. Include a laundry bag or garbage bag for dirty items.
5. A quick dry towel makes their life a lot drier and easier.
6. Be sure to label all shampoo, soaps, etc. so they know what they are using.
7. ALL clothing and gear should be LABELED with your scout's name and pack.
8. No disposable ponchos please-they are dangerous on the trails and don't last. Cut a long poncho so it comes to just below the knees.
9. Camp fans are fine but please don't send spray bottles with attached fans.
10. PLEASE *no gear in plastic bags, crates or wire bins*-everything should be stowed in a duffel, backpack or foot locker.
11. Do NOT pack any food in gear!

Foot lockers should not be higher than 13" to fit under the bunk..

Please be sure to TAG all luggage and packs!

WEATHER AT READ

The weather at the Read Scout Reservation can be a bit unpredictable. The nights can be particularly cool. Even during the summer, temperatures can drop into the 40's at night. Please make sure your Scouts has warm clothes and sleeping bag to ensure he enjoys his time in camp.

MEDICAL EXAMS

All Scouts and adults must have a physical examination by a physician within the 12 months prior to attending camp. All Scouts and leaders must have submitted a completed medical form to the Council Service Center at least two weeks before their arrival at camp. Admission to camp is dependent on a satisfactory medical record. **Those without a completed medical cannot be permitted to take part in activities until we have the form in our hands.** Physicals must have an immunization history, with inoculation dates, in order to be valid. The correct form can be found at <http://www.wpcbsa.org/pubs/ReadMedicalForm.pdf>.

HEALTH LODGE

The Read Scout Reservation has a Health Lodge to provide first aid. The Reservation is staffed 24 hours a day by qualified health personnel. Persons with serious injuries or illnesses requiring hospitalization will be transported to either the Glens Falls Hospital or a Hudson Headwaters Healthcare facility where the camp has an advance agreement for treatment. We will have a certified RN on staff in camp at all times.

MEDICATIONS

Each person, youth or adult, who uses any medication, prescription or non-prescription, must ensure that they bring enough to camp for their entire stay. **All medications must be in their original containers.** While at camp, all medications must be held by the camp health officer . Emergency medication, such as heart medication, inhalers and epi-pens can be held by individuals.

ALLERGIES

Please ensure that your Scout's medical is at the council office 2 weeks prior to camp to ensure we have adequate time to review it and make accommodations for any health issues. **Our camp leaders must be familiar with any allergies or special health conditions.** Ensure that they are marked clearly on your Scout's medical form. If your Scout has a food allergy, please provide camp, as soon as possible, with a list of what he can eat as well as what he cannot eat. We must receive this information before your Scout comes to camp to ensure we have the proper food.

INSURANCE

Our Council carries accident and health insurance, through Health Special Risk, Inc. (HSR), on each Scout and adult leader.

In the event a Scout needs medical attention by an outside health care provider, all fees and bills should be handled in the following manner:

- Complete a claim form (available from Camp Health Officer or Council Camping Secretary) from HSR and submit it along with the health care provider's itemized billing statement directly to HSR IMMEDIATELY. Please follow the directions on the claim form completely. HSR will automatically pay the first \$300.00 on every claim. Do not send any completed claim forms and/or bills to the Council Service Center.
- (For claims exceeding \$300.00) Then submit the outstanding bills to the parent/ guardian's private health insurance.
- After the parent/ guardian's insurance has paid their maximum limit, the remainder of the outstanding balance (if any) can be submitted to HSR as a continuation of the original claim. You must provide an explanation of paid benefits from the parent/ guardian's insurance along with the claim. Although the claim is originally submitted to HSR, the parent/ guardian's health insurance is considered primary. HSR will only make payment on claims over \$300.00 after proof of payment from the primary carrier is presented.

It is the responsibility of the parent/ guardian to ensure that their son's claim (if any) is submitted and satisfied. Please **do not** ask the health care providers to forward claim information or additional bills to the Council or Camp. In the event there are difficulties with a claim, you may contact the Camping Secretary at the Council for information and assistance (914) 773-1135 ext. 233.

We will only call parents as a last resort.

BEHAVIOR

Parents should reinforce good behavior habits with their son before they arrive at camp. Scouts are expected to cooperate with the adult leaders and follow directions. Scouts should not engage in behavior that bullies or belittles another scout. Multiple infractions will lead to action by the camp administration, which could include calling parents, suspension of activities or expulsion from camp. All rules of privacy will be STRICTLY enforced when changing and showering. The shower house has individual stalls with locking doors to ensure privacy. Dens will be supervised by 2 male adults while showering or washing and no one will be allowed in a personal changing or showering area.
